I claim to be exempt from ineligibility to receive a visa and exclusion under Part 34 of Form OF-156 for the following reasons:

☐ Section 212(d)(3)(A) () () ()

I understand that I am required to submit my visa to the United States Immigration Officer at the place where I apply to enter the United States, and that the possession of a visa does not entitle me to enter the United States if at that time I am found to be inadmissible under the immigration laws. I further understand that my adjustment of status to permanent resident alien is dependent upon marriage to an American citizen and upon meeting all of the requirements of the Immigration and Naturalization Service.

I understand that any willfully false or misleading statement or willful concealment of a material fact made by me herein may subject me to permanent exclusion from the United States and if I am admitted to the United States, may subject me to criminal prosecution and/or deportation.

I hereby certify that I am legally free to marry _____ a United States citizen, within 90 days of my admission into the United States.

I do solemnly swear or affirm that all statements which appear in this application have been made by me and are true and complete to the best of my knowledge and belief.
